

Hi, is there a manger available?

(yes): My name is _____. I am with Mary Kay Cosmetics and we work in conjunction with various fitness and wellness groups in the community to offer free customer appreciation events. We believe very strongly in the connection (or importance) of a healthy body, healthy skin and a healthy self image. Basically what we do is give away free samples to your clients and allow them to enter into a drawing for a \$50 gift basket and other prizes. I'd love to come in and provide this service for you. It doesn't cost you a thing and it's a great way to let your customers know how much you appreciate them.
