

It's sooooo rewarding to be a “MARY KAY HOSTESS”

There are 4 ways to win!!

To begin, select the plan you want to use from number 1. Then, you will receive number 2, 3, and 4 as well.

Let's partner together to make this plan a huge success for both of us.

I appreciate you. You can count on me!

1. \$75 for \$35!!! As the hostess of a class*, you may select \$75 worth of Mary Kay products for only \$35.

OR

You may choose our point system. You get 10% of the total class* sales (including any outside orders) in FREE product, no matter what else happens. If one friend books, you get 15% of the total sales. If two friends book, you get 20% of the total sales.

OR

You may take advantage of the DOUBLE CREDIT plan. With this plan, you must have at least 5 friends share your class* with at least \$400 in sales. Two of your friends must book classes and you must schedule an indepth glamour clinic. Normal credit with this plan would be \$80 but you receive double credit - \$160 in FREE product. I'd like to suggest this as a way to earn your ULTIMATE MIRACLE SET!!!

OR

You may choose to have one of our “Rock, Shimmer, Shine” classes*. At this party, you do receive the \$75 for \$35 AND if your class total is at least \$500 with at least 2 bookings, you receive a gorgeous “rock”! It is a beautiful ring that you will love wearing everyday, but especially during the holidays.

2. By holding your class on the original date with at least two bookings, you also receive our special quarterly hostess promotion. This quarter, the gift is _____.
3. You will also receive, as a gift from me, your own personalized color and technique makeover. We will focus on your particular coloring, your favorite glamour looks, and the techniques that will camouflage and alter specific problem areas. This makeover will be done prior to or during your class.
4. And, you will also receive a special “thank you” gift from me that will be presented at the beginning of our class.

- A qualified class must have a hostess plus at least 2 non Mary Kay users 18 years or older.
- Be sure to ask me how our hostesses can get all their orders at ½ price for 3 months!
- Be sure to ask me how you can qualify for my high hostess of the month gift!
