

## Webshow Hostess Script

(Potential Hostess).

How are you!? I am SO excited to share some good news! I have just started my very own Mary Kay business. Since you are one of my favorite (friends/customers/family members), I want to share a great way for you to earn some FREE product without ever leaving your house. Is there any reason why you couldn't help me out by holding a Mary Kay Webshow? Here is what you would have to do:

Prepare an email to all your girlfriends, family, neighbors...every woman you know with skin...and an email address. Once we have decided on a date, I will send you the invitation to email to your friends. Then all you have to do is cut and paste that invite into the email and push the send button. That's it!!

Now since I would never ask you to do this for FREE, here is my gift to you:

**1.) Give her a % of FREE product based on sales – Sales are \$300 and you give her 10% (\$30) of Mary Kay product**

**OR**

**2.) If there is a specific product she wants, offer that for FREE once sales hit \$300**

Seriously, this is the easiest way to earn FREE product. I would go to the moon if you would just help me out. All you have to do now is pick a date!
